

Polymer Optical Fiber PSF Series

Core - Polystyrene	Refractive Index 1.59
Cladding - THV	Refractive Index 1.35
Core to clad ratio (ID/OD)	94%
Numerical Aperture (NA)	0.84
Index Profile	Step Index
Max Temperature	70C
Custom OD's available- Yes, 25um -3000um	
Overclad available - Yes, please inquire	
Stock size available - Yes, please see website for most current list	
Best transmission -red light
